85% of Metrolink riders have a car but choose to take the train.

Commuter rail is part of a regional solution to ease congestion on all major freeways and connect residents to opportunities.

Metrolink is providing free rides on April 22 for Earth Day, encouraging the use of public transit.

Commuter rail service is critical to removing cars from the freeway and avoiding Greenhouse Gas (GHG) emissions.

Link Union Station (LINK US) improves Metrolink operations and supports the vision of the Southern California Optimized Rail Expansion (SCORE).
