

**PLANNING and MODAL PROGRAMS**  
**Division of Transportation Planning**

# **CALIFORNIA FREIGHT MOBILITY PLAN (CFMP)**

**California Transportation Commission Briefing  
December 4-5, 2019**

Marlon Flournoy, PMP, Chief,  
Division of Transportation Planning

# STATE AND FEDERAL LAWS

**Sept. 2013:**

- ▶ AB 14 (Lowenthal, 2013) passes state requirement

**Dec. 2015:**

- ▶ FAST Act passes federal requirement

**2017:**

- ▶ CTC adopts SB 1 Trade Corridors Enhancement Program (TCEP)

- 9 CFAC Meetings
- 6 Freight Industry Focus Groups
- 4 Native American Tribal Listening Sessions
- 7 Public Engagement and Workshops
- Social Media Digital Outreach
- Interviews with Industry Executives
- Survey
- State Interagency Coordination

## CFMP Engagement and Outreach

# Chapters and Appendix

## Executive Summary

**Chapter 01:** Introduction – Vision, Goals, and Objectives

**Chapter 02:** Perspectives on Freight Transportation Competitiveness

**Chapter 03:** Existing Freight System Conditions & Performance-Based Needs Assessment

**Chapter 04:** Trends, Issues, and Opportunities

**Chapter 05:** Environmental Challenges, Opportunities, and Engagement

**Chapter 06:**  
Implementation

1. Multimodal Mobility
2. Economic Prosperity
3. Environmental Stewardship
4. Healthy Communities
5. Safety & Resiliency
6. Asset Management
7. Connectivity & Accessibility

*Note: CFMP aligns with California Sustainable Freight Action Plan Principles*

**CFMP Goals**

Sustainability and Innovations

Improving Port Access Reliability

Border Efficiency

Inter/Intra-state Freight Movement and Resiliency

**State Themes**

## Regions

1. Northern California
2. Sierra
3. Bay Area
4. Central Valley
5. Central Coast
6. Los Angeles/Inland Empire
7. San Diego/Border

## Transformative, Sustainable, Innovative Project Examples

- Clean Truck Corridors
- Marine Highways
- Port Infrastructure and Equipment
- Zero Emission/Near Zero Emission Rail Projects
- Zero Emission/Near Zero Emission Truck Parking Infrastructure
- ITS and Software Solutions that Support Efficient Freight Movement

**Regional Freight Investment Strategies**

**December 4, 2019 to January 30, 2020**

Draft CFMP is available at:

[https://dot.ca.gov/programs/transportation-planning/freight-planning/ca-freight-advisory-committee/cfmp\\_2020](https://dot.ca.gov/programs/transportation-planning/freight-planning/ca-freight-advisory-committee/cfmp_2020)

**Public Comment Period**

- Dec. 4, 2019:** ▶ Start of Public Review (CTC Riverside)
- Early Jan. 2020:** ▶ Present Draft Plan to the CFAC
- Jan. 30, 2020:** ▶ Present Draft Plan to CTC (Sacramento) and End of Public Review
- Mar. 2020:** ▶ Present Final to CTC (Santa Barbara)
- End of Mar. 2020:** ▶ CalSTA submit to Legislature, OPR, and PUC
