

Community Stakeholder Listening Sessions

2019 June CTC Meeting

Jofil Borja, Assistant Deputy Director

A round table with the community: Riverside and Placer Counties

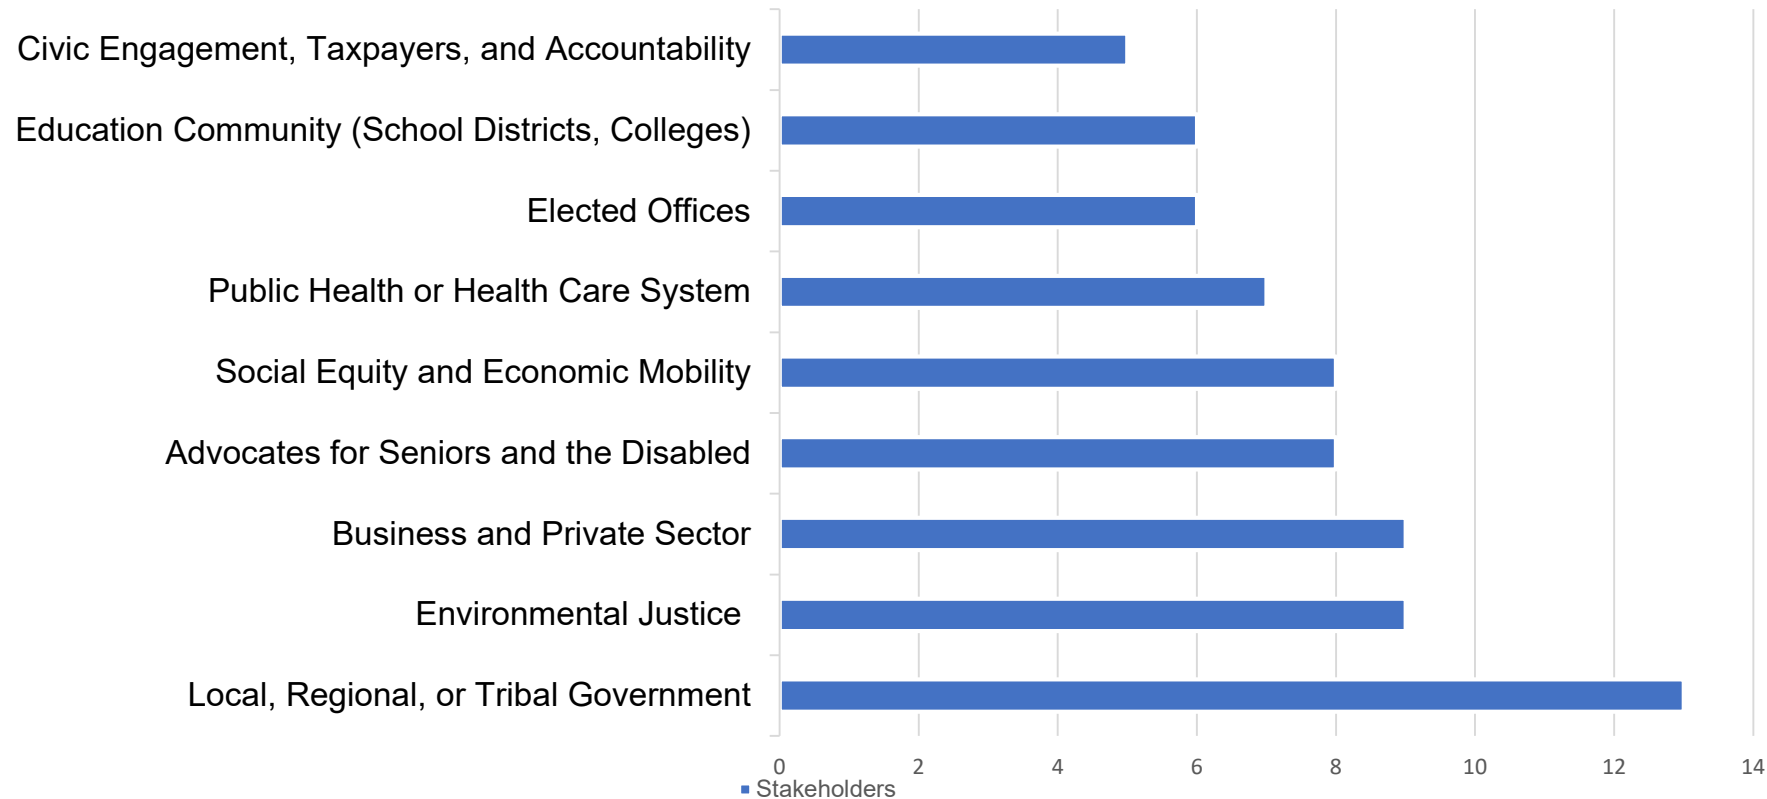

Continuing partnership and hearing feedback: Los Angeles County and San Diego Region

Broad Spectrum of Stakeholders

Participants and Organizations

Top Issues and Opportunity Areas:

- **Congestion:** Freeway and local street congestion and its impact on quality of life.
- **Transit:** Access to transit and paratransit, alternative mobility, and addressing first and last mile connectivity.
- **Land-use decisions:** Balance priorities for housing, economic opportunities, and environmental goals.
- **Reducing greenhouse gases and pollution:** Reducing GHG and mitigating impacts to public health.
- **Safety and mobility:** Infrastructure improvements critical to provide safety and mobility for all users of the system.
