

A Vision for the 2021 Regional Plan

Three challenges

Reduce congestion
Improve social equity
Meet state and federal mandates –
to be *faster, fairer,*
and *cleaner*

Legislative Mandates: State and Federal

SB 375 and Air Quality: meet regional greenhouse gas emissions reduction target and Clean Air Act requirements

Title VI: compliance with federal civil rights requirements and environmental justice considerations

CEQA and SB 743: shift to vehicle miles traveled to evaluate impacts of transportation projects

Tribal Consultation

42% of greenhouse gas emissions come from transportation/passenger vehicles

Protecting natural habitats

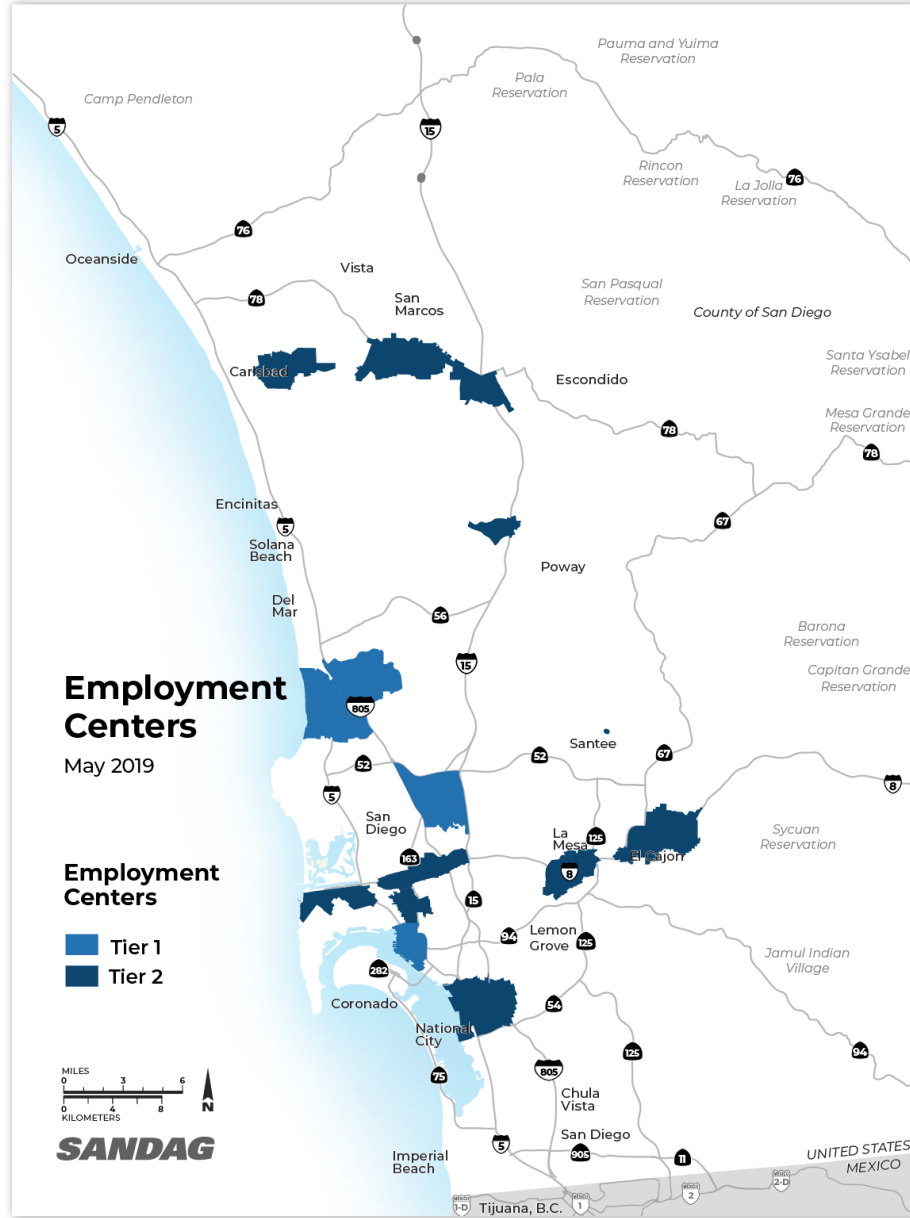

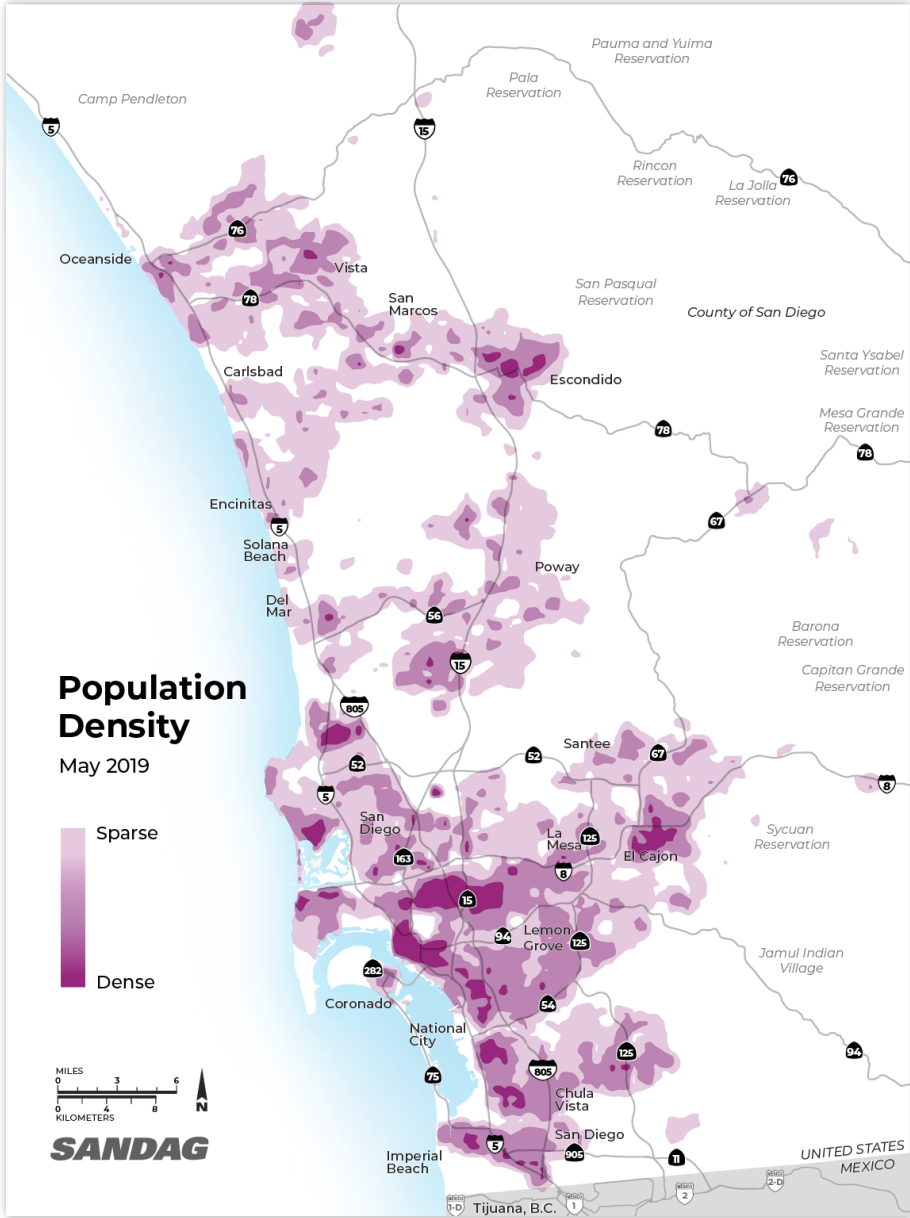

A bold new approach to planning for the future

Embracing data-driven planning, incorporating emerging technologies, and incorporating resident input

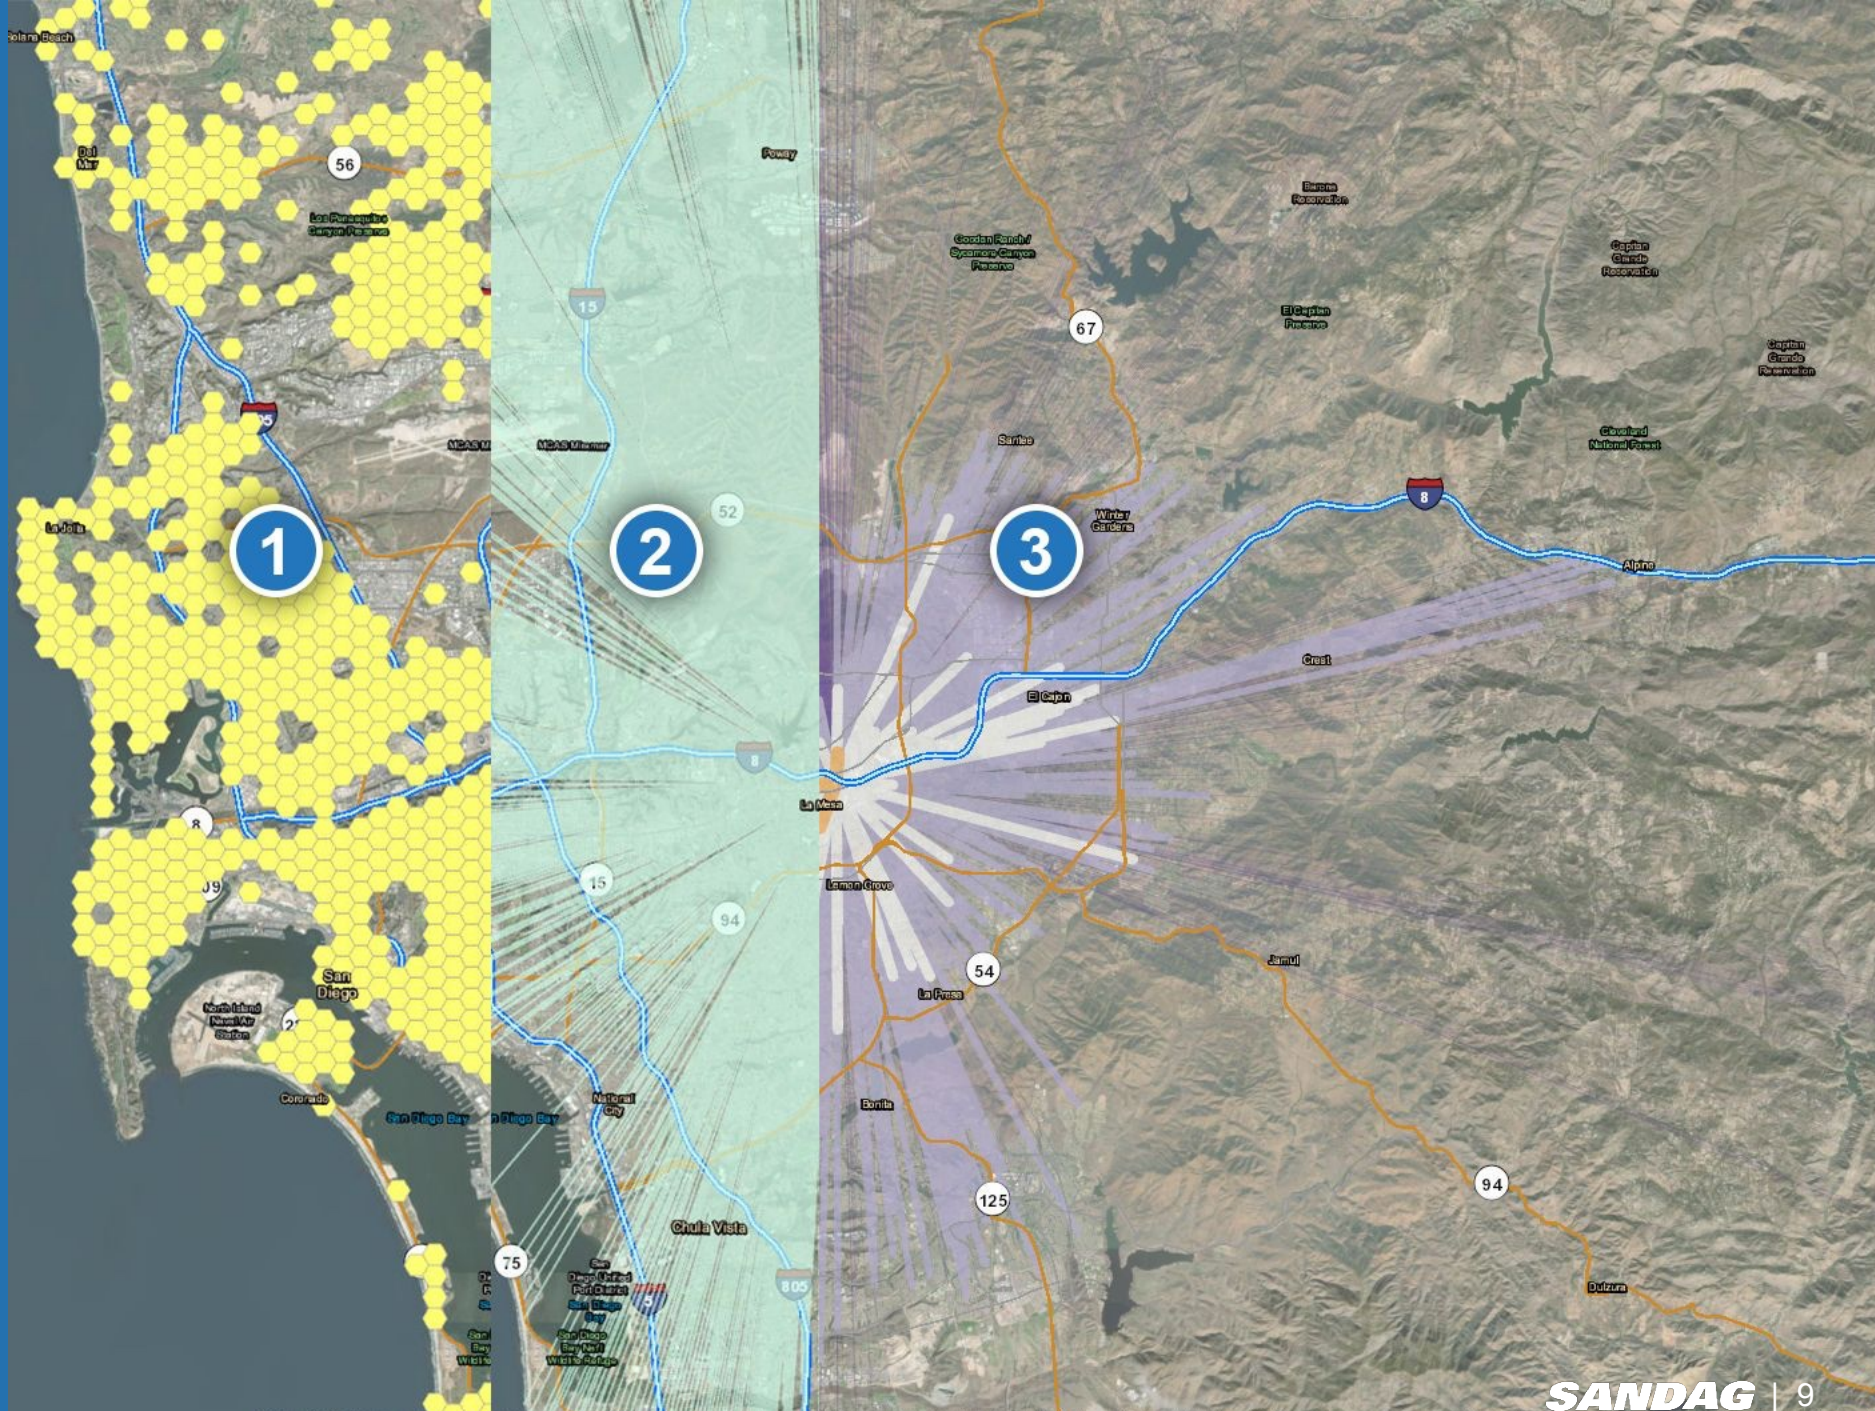

Data-Driven Planning

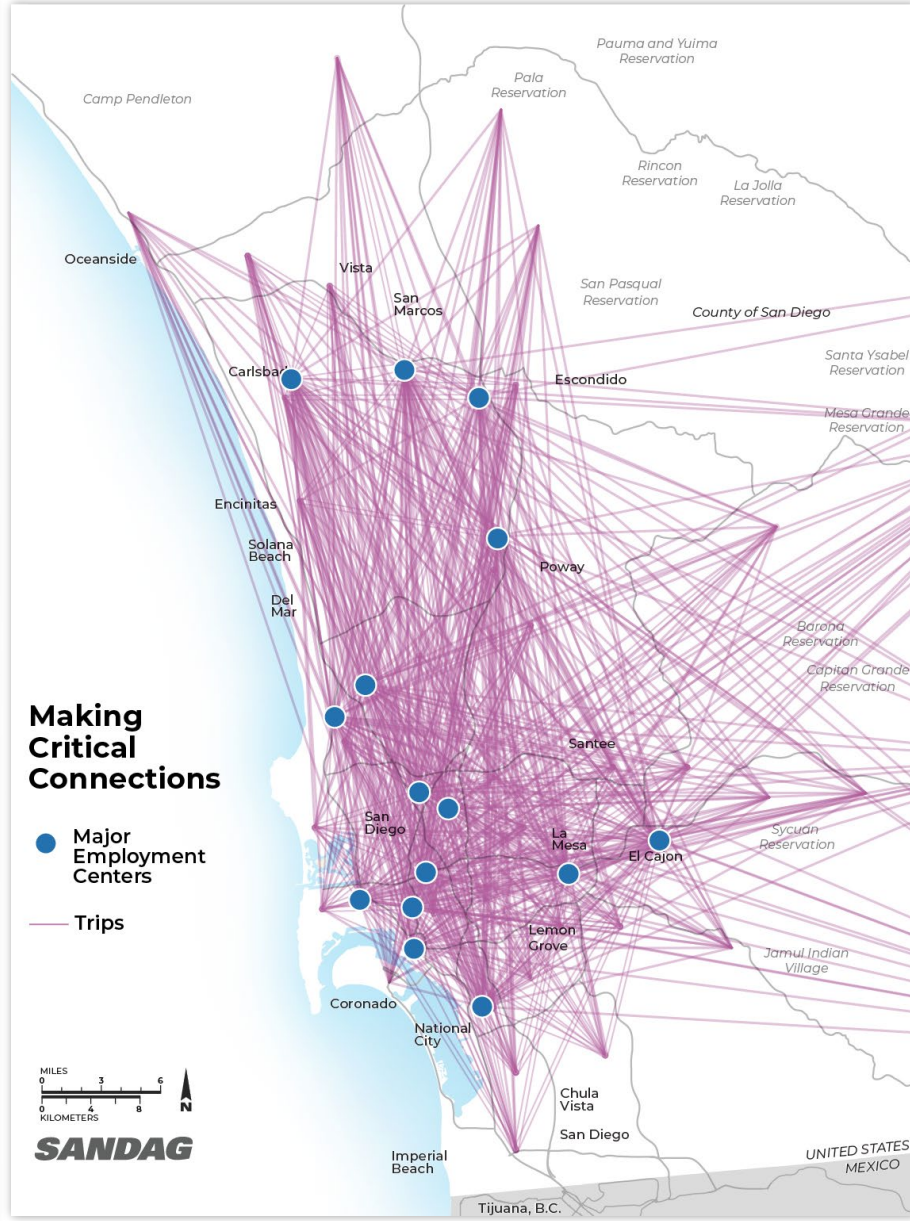

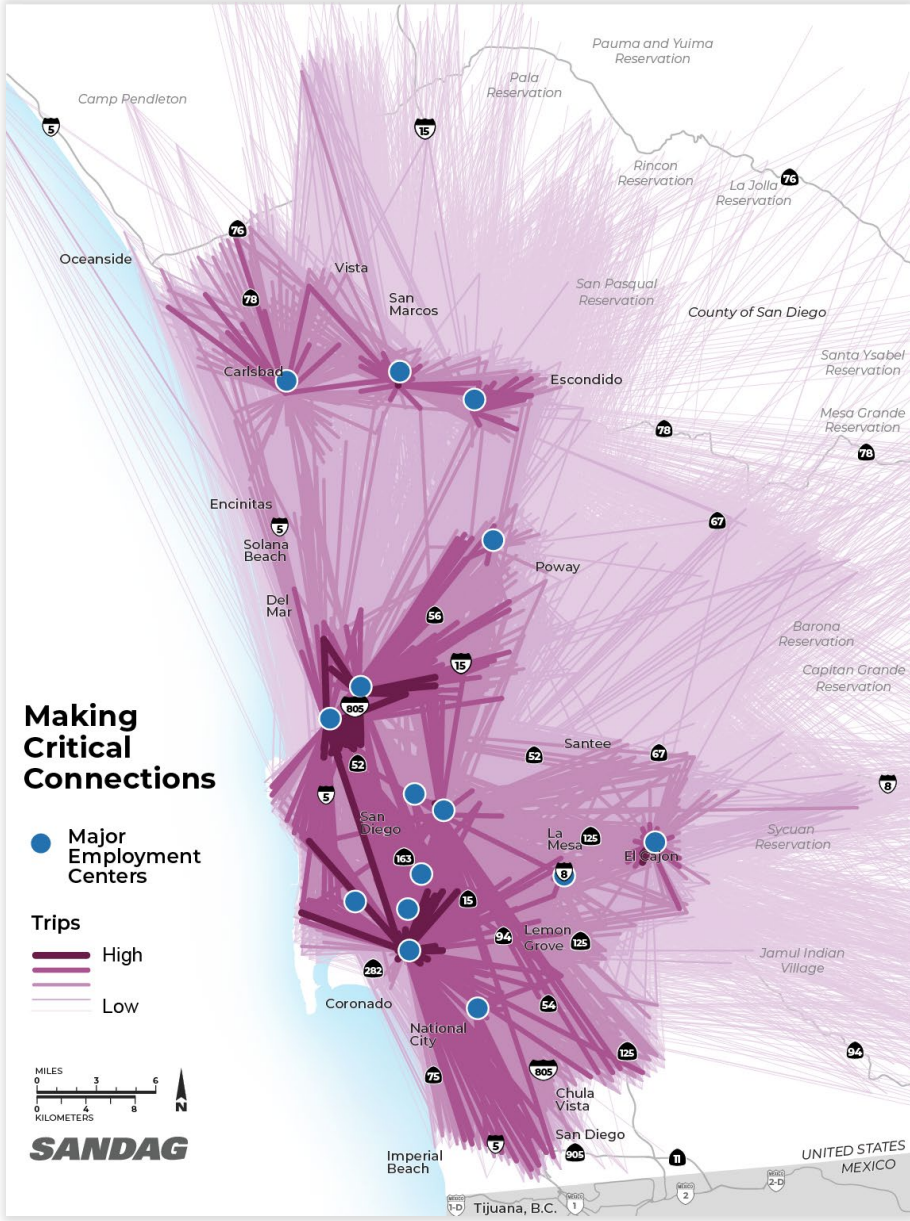

Where people live and work

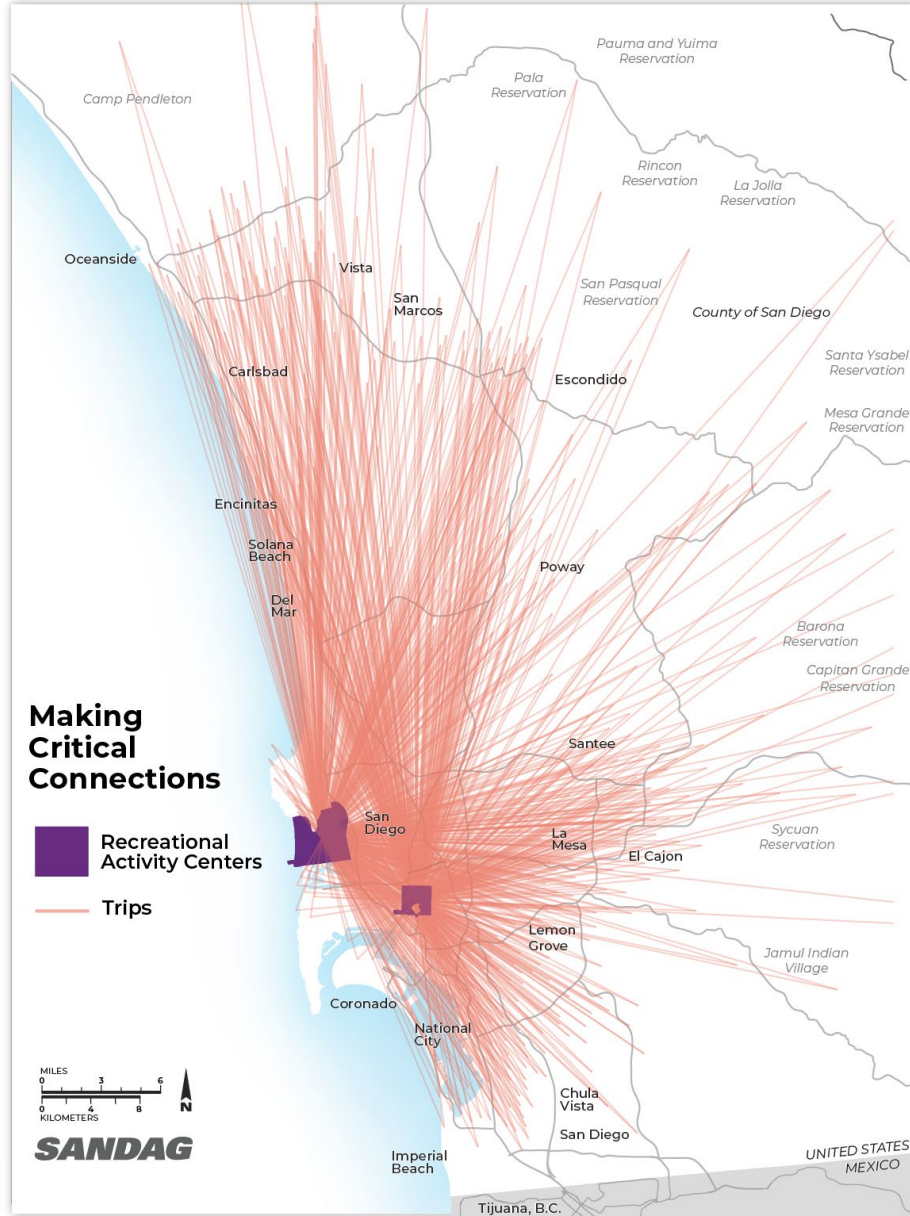

Census data helped make connections between where people live and work

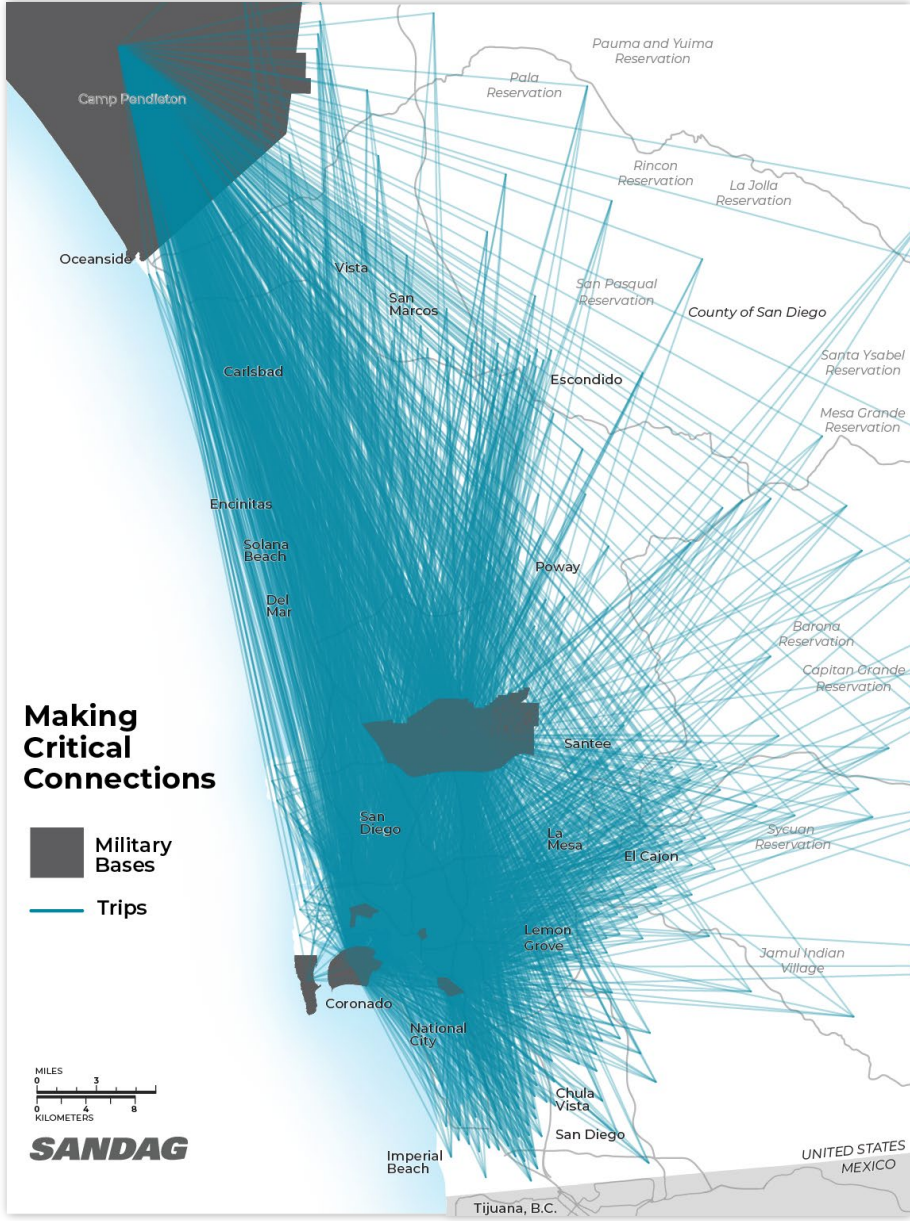

Trips to and from
employment
centers are the
most predictable

Other regional trips, including trips from the border and to recreation in Balboa Park and Mission Bay

Other work trips including military bases

Getting input from communities
