

Multi-Craft
Pre-Apprenticeship
An SB 1 Update to
the California
Transportation
Commission

SB 1 funds are helping to build a high road system of multi-craft pre-apprenticeship statewide.

Regional

- 11 regions covering the state
- Nearly \$14M awarded

Multi-Craft

- Multi-Craft Core Curriculum
- Industry-recognized credential

Equity

- Targeted outreach and services
- Quality job placement

Nearly all regions have finally started classes after adapting to new circumstances.

Training

- Target: 3,000 individuals
- Results: 100's graduated to date

Placement

- Apprenticeship
- Other employment
- Post-secondary education

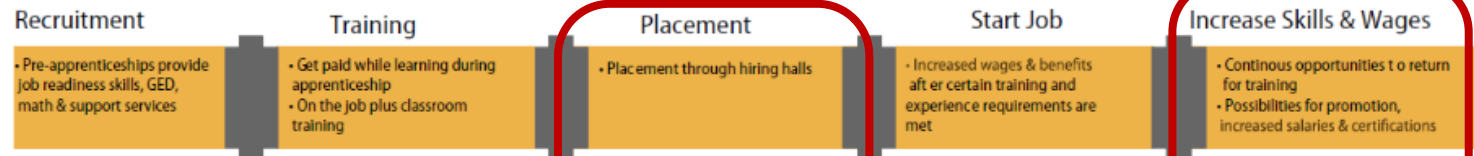

Lessons

- Ingenuity to adapt to COVID-19
- Innovation to meet needs

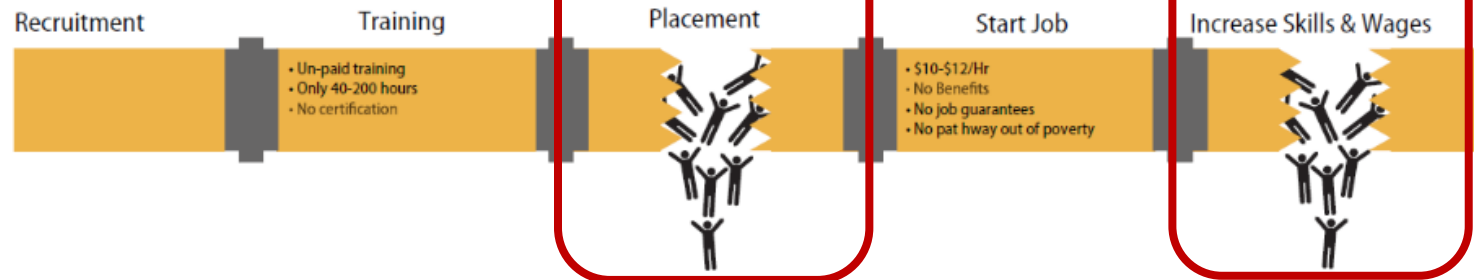

For training to deliver on equity, graduates must be connected to high-quality jobs.

Registered Apprenticeship Pipeline: A Pathway to Better Opportunities

Without Apprenticeship Training: A Broken Pipeline

UCLA

Equity is operationalized at every stage of the program – from recruitment to placement.

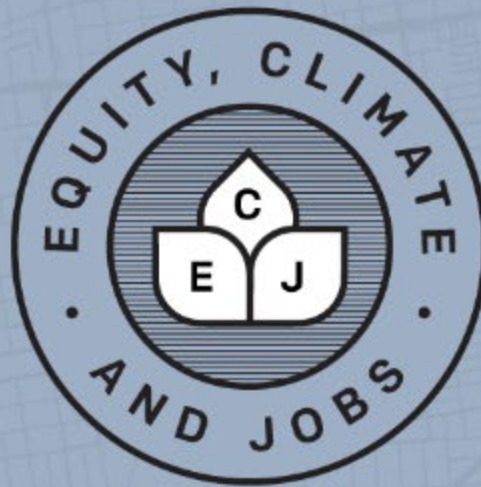

Demand for apprentices is key to expanding access to quality careers in construction.

Hearing from pre-apprentices is the best way to appreciate the program's deep impact.
