

MEMORANDUM

To: CHAIR AND COMMISSIONERS
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: June 2, 2023

From: STEVEN KECK, Chief Financial Officer

Reference Number: 2.2c.(1), Action Item

Prepared By: Jeremy Ketchum, Chief
Division of Environmental Analysis

Subject: **APPROVAL OF A PROJECT FOR FUTURE CONSIDERATION OF FUNDING
RESOLUTION E-23-99**

ISSUE:

Should the California Transportation Commission (Commission), as a responsible agency, approve attached Resolution E-23-99?

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the Commission, as a responsible agency, approve attached Resolution E-23-99.

BACKGROUND:

[1]-10-Ama-88, PM 21.6/24.6 Resolution E-23-99

The attached resolution proposes to approve for consideration of funding the following project for which a Mitigated Negative Declaration (MND) and an Addendum have been completed:

- State Route (SR) 88 in Amador County. Intersection and lane reconfiguration, pedestrian and bicycle improvements, and roadway-related improvements on SR 88, in Amador County. (PPNO 2454)

The project is located on SR 88 from postmile 21.6 to postmile 24.6, in Amador County. The Department proposes intersection and lane reconfiguration, pedestrian and bicycle improvements, and roadway-related improvements on SR 88. The project is currently programmed in the 2022 State Transportation Improvement Program (STIP) for a total of \$14,429,000, which includes Right of Way (Capital) and Construction (Capital). Construction began 2021-22. The scope, as described for the preferred alternative, is consistent with the project scope as programmed by the Commission in the 2022 STIP.

“Provide a safe and reliable transportation network that serves all people and respects the environment.”

A copy of the MND has been provided to Commission staff. The Commission approved the project for future consideration of funding on May 19, 2016, under Resolution E-16-24. The revised scope includes two phases, the Revised Phase A, and the Ultimate Phase. The Revised Phase A will construct most of the proposed improvements, whereas the remaining improvements will be constructed in the Ultimate Phase. Expanded Temporary Construction Easements (TCEs) were included to the scope of Revised Phase A to facilitate construction. The Department subsequently completed an Addendum to the MND pursuant to California Environmental Quality Act (CEQA).

The Department has approved this project for construction. This approval and the Addendum will satisfy the environmental requirements for this stage of the planning process.

Attachment 1

CALIFORNIA TRANSPORTATION COMMISSION

Resolution for Future Consideration of Funding 10-Ama-88, PM 21.6/24.6 Resolution E-23-99

- 1.1 **WHEREAS**, the California Department of Transportation (Department) has completed a Mitigated Negative Declaration and Addendum pursuant to the California Environmental Quality Act (CEQA) and the CEQA Guidelines for the following project:
- SR 88 in Amador County. Intersection and lane reconfiguration, pedestrian and bicycle improvements, and roadway-related improvements on SR 88, in Amador County. (PPNO 2454)
- 1.2 **WHEREAS**, the Department has certified that a Mitigated Negative Declaration and Addendum have been completed pursuant to CEQA and the State CEQA Guidelines for its implementation; and
- 1.3 **WHEREAS**, the California Transportation Commission, as a responsible agency, has considered the information contained in the Mitigated Negative Declaration and Addendum.
- 1.4 **WHEREAS**, the project will not have a significant effect on the environment
- 2.1 **NOW, THEREFORE, BE IT RESOLVED** that the California Transportation Commission does hereby support approval of the above referenced project to allow for consideration of funding.
