Dear Ms. Taylor and Commission:

Please let this letter serve as written confirmation that Mr. Young Kwun is withdrawing his objection to the California Transportation Commission's consideration of adoption of a Resolution of Necessity and Caltrans' right-to-take.

We appreciate the efforts of right-of-way agent Juan Carmona and District 6 Staff to address the Mr. Young's concerns about Project design and impacts to the property. We look forward to working with Caltrans towards a mutually agreeable resolution of the amount of compensation Mr. Young is entitled for the substantial damages caused by the State Route 190/Rockford Road Intersection Improvements Project – Roundabout Project.

Very truly yours,
