

# 2025 Active Transportation Program

## Kick-Off Workshop (South)

August 16, 2023

### Action Items

---

1. CTC staff will hold a meeting with MPOs to discuss the Cycle 7 MPO Component.
2. CTC staff will send out 2025 ATP Site Visit registration in early September and begin taking Branch Workshop requests.
3. CTC staff will investigate potential training opportunities for stakeholders on the Submittable platform.
4. CTC staff will check with Submittable on the following questions:
  - a. Can applicants download and print their applications from Submittable, before and after application completion?
  - b. How long will applications remain under an account after submittal?
  - c. Can applicants share direct links to their applications with members of the public?
  - d. Can light gray text be added to text boxes to prompt responses?
5. CTC staff to coordinate with California Conservation Corps (CCC) to determine if CCC coordination can be done through Submittable.
6. Issues raised by stakeholders for further discussion at a future workshop:
  - a. What stakeholders can do to advocate for more program funding
  - b. Federal-only funding requests
  - c. Coordination with the STIP schedule
  - d. Eligibility of non-federally recognized tribes.
  - e. Eligible/non-eligible leveraging sources
  - f. Disadvantaged communities points
  - g. Cost overruns
